

Dr. Kit Franklin, Harper Adams University is visiting us

Dr. Kit Franklin is coming to our laboratory on December 11th (Wed. tomorrow) afternoon and wishes to learn Asian Agriculture. I wish you exchange our activities with him, because it is a good opportunity to talk with same-generation younger researcher. He just graduated from Harper Adams University, UK this year and one of the supervisor was Prof. Simon Blackmore.

Dr. Kit Franklinの訪問

12月11日（水）午後に、イギリス、Harper Adams 大学から Dr. Kit Franklin が当研究室を訪問されます。ヨーロッパの農業を知る良いチャンスですので、積極的に交流を計ってください。
