

Mr. Marc Vanacht visits our laboratory

Mr. Marc Vanacht visit us today (Nov.20). He is an agri-business consultant, Missouri, and is famous as one of leading persons who can talk about precision agriculture and various types of agriculture in the world. He is willingly going to give us an opportunity to discuss on anything we want 17:00, today. Come to room S177. He is joining today's weekly lunch meeting, too.
