

Dr. Manjeet Singh Makkar visits our laboratory

Dr. Manjeet Singh Makkar (Department of Farm Machinery and Power Engineering Punjab Agricultural University, Ludhiana, Punjab, India) is visiting our laboratories (Agricultural Systems Engineering, Field Robotics and Agricultural Process Engineering) on March 12 for exchanging our activities. He is going to present on “Agricultural Mechanization and Strategies for Precision Farming in India” after tour at our laboratories. Please talk with him about your own projects, too.
