

**A visiting Scholar and short-term exchange students visit our laboratory  
from Gyeongsang National University, Korea**

Dr.Seo Kwang-Wook (January 4-20) and three graduate students, Kwon Soon-ju (Jan.3-9), Kim Chi-ho (Jan.6-12), Leem Jae-woon (Jan. 12-17) are visiting our laboratory from Gyeongsang National University, Korea in this January. Since they may join our seminar and discussion on some research project, I hope our laboratory members exchange research activities.
