

Research students, Kiji-san, Kanop, Xu Cheng, and Shen Ziyao joined.

Kiji-san (Research student), Kanop Surijamorn (Undergrad. Student, Kasetsert U., Thailand), Xu Cheng (MS, Shanghai Ocean University), and Shen Ziyao (MS, Nanjing Agricultural University) joined our laboratory in addition to 6 undergrad students. Kanop, Xu Cheng and Shen Ziyao are staying for 6 months as a special auditor and special research students. I wish all of our member communicate much with them and help them settle down.
