

Dr. Momin received JSAM Award

Dr. Md. Abdul Momin who was Ph.D student here from April, 2011 to March, 2014 is now an associate professor at Bangladesh Agricultural University, Bangladesh received the JSAM Young Researcher's Academic Encouragement Award on September 15 at the annual meeting, Morioka, Iwate.

His achievement is "Fluorescence Imaging for Defect Inspection of Citrus Fruits and Identification of Fluorescence Substances." I wish many members follow it. Congratulations!
