

Dr. Diding Suhandy, Dr. Slamet Widodo, Prof. Ferruccio Giametta,
Mr. Li Shutong, and Miss. Li Yuan's stay at our laboratory

Dr. Diding Suhandy (Lampung University, Indonesia) and Dr. Slamet Widodo (IPB, Indonesia) have come to our laboratory by a program of JASSO following up as alumni of our laboratory. They are staying from July 25 to October 22. Prof. Ferruccio Giametta (Molise University, Italy) was invited by our school as a guest professor since August 1 for a year. Mr. Li Shutong (Nanjing University, China) got a scholarship of AMGEN and staying for two month (July and August) and Miss. Li Yuan (Zhejiang University, China) is staying for two weeks by the Wild and Wise program. Communicate with them during their stay and expand your research networks with them.
