

## A New book “Bio-Sensing Engineering” was Released

A New book entitled “Bio-Sensing Engineering --Optical and Acoustic Measurement for Biological Material--” was published edited by Naoshi Kondo, Yurichi Ogawa, Tetsuhito Suzuki from Corona Publishing Co., Ltd., Tokyo in September, 2016. In addition to our professors, Nishizu-sensei and Shiigi sensei wrote acoustic measurements in this book. Since this book is written in Japanese, its English version is expected.

ISBN:987-4-339-06752-1, 193 Page, ¥3100
