M1 Takeuchi Nao (Executive secretary of summer seminar)

Invitation to attend 2022 Summer Seminar

On behalf of the Bio-Sensing Engineering lab, I am inviting you to join the Summer Seminar in August. The details of this year's plan are attached below.

It is very important that the current members can connect and communicate with the graduated students as well as the senior members so that we can learn from a diverse background or generations.

Kindly let us know as soon as possible if you would be available to attend our event and any other questions you may have. Thank you for your precious time and we sincerely appreciate if you could join with us in this year's summer seminar, partial participation for one day is also welcomed. I am looking forward to seeing all of you!

Best Regards,
