

Algorithm Competition on Machine Vision for Bioproduction

Sponsored by Rux2000 "Bio-Vision", JSAM

We are glad to inform you that we are inviting you to "Algorithm Competition on Machine Vision for Bioproduction" sponsored by Rux2000 "Bio-Vision", Japanese Society of Agricultural Machinery as below. Excellent algorithms selected among applied works will be awarded at a study meeting of this group (12:00-13:00, Sep.17, 2009) during JSAM annual meeting. Since anyone (even nonmember) is welcome, we hope many researchers (including students) and yourselves accept this invitation to this competition. Its application details are on following homepage:
