

Prof. Ying Yibin and President Marc Vanacht Visit

Professor Ying Yibin (Executive Dean, College of Biosystems Engineering and Food Science, Zhejiang University, China) is visiting our laboratory by an invitation based on the agreement between Zhejiang University and Kyoto University. He is coming to Japan with Prof. Huirong Xu on Nov.9, 2008 for about three weeks and is staying at Kyoto U. from Nov.13 for discussing on food security and safety between China and Japan. He is going to give us a laboratory seminar on Nov.18, while they are joining the bowling competition and drinking parties as well as JA Kinan, a large scale orange fruit grading facility, Wakayama Pref.

Marc Vanacht (President, AG Business Consultants, University City, Missouri, USA) is also coming at the same time for giving us the fourth open seminar entitled “Expanded View of Precision Agriculture”, held on Nov.13. Since they are supposed to have desks in a foreign researcher room with Prof.Fang, feel free to discuss with him during his stay.
