Bowling Competition sponsored by Rakusuikai

We had a bowling competition sponsored by our alumni association, Rakusuikai on Nov.26, 2009. We had much fighting spirits, but we could not win a prize as our team (Kondo, Tuan, Takajhashi, Watanabe, and Yamakawa) because of total low score. We would like to do our best for the next year. We could get the following special prizes for personal scores, though:

Yamakawa: moonlight strike game

Takahashi: Booby prize
