

Laboratory of Bio-Sensing Engineering
The Fourth Open Seminar, 2014

Mr. M. Fukumoto
(Section Head of Solution Business
Management, Department of
ICT Sales, DTS Corporation)

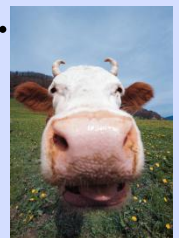

Title : “What is Dr. Cowbell”

Room: W-402, Faculty of Agriculture Building

Time and Date: 14:45~15:30, Nov. 11 (Tue), 2014

Abstract:.

‘Contribution’ to agriculture farming is our thoughts. As an IT solution company, DTS propose a solution for detecting and responding to estrus or disease sign in early stage by using cloud service and motion sensor technique.

Anyone is welcome!
